Submitted concurrently herewith is a Preliminary Amendment. In the Preliminary Amendment, claims 1-85 have been canceled and new claims 86-170 have been substituted therefor. The original application contained 85 claims, 3 of which were independent. The present Preliminary Amendment also contains 85 claims, 3 of which are independent. Since the claim fee of \$1,910.00 has already been paid at the time of filing, it is deemed that no further filing fee is required. However, authorization is given to charge any additional fees which may be required, or to credit any overpayment, to Account No. 06-1378.

The fee of \$130.00 for filing a "Non-English Specification" was previously submitted with the filing of the application.

It is respectfully requested that prosecution on the merits now proceed.

Respectfully submitted,
